WELCOME TO THE FRIENDS OF ST MONICA'S NHS HOSPITAL

EASINGWOLD, YORK

We are Registered Charity No. 513694, founded in 1969 and rooted in the local community, and we support the health and care services in the Hospital and the area served by the surgeries at Tollerton, Easingwold, Stillington, Ampleforth and Hovingham by the purchase of equipment and services that cannot be funded by the NHS.

The Friends enabled the purchase of many items that are currently in use throughout the Hospital and Physiotherapy buildings. We have a team of volunteers who help in the Hospital, so do contact us if you are interested but please note we currently have a waiting list of people wishing to join the team.

Donations to the League of Friends of St. Monica's Hospital are spent primarily to support the work of the hospital over and above that provided by the NHS. Our newly revised constitution now allows us also to support health and social care projects in the wider community. The 'wider community' is defined by the areas covered by the GP surgeries of Ampleforth, Easingwold (Millfield), Hovingham, Stillington and Tollerton.

Please visit www.fosmh.org.uk for further details.
