## COXWOLD VILLAGE HALL

None of us will be sorry to put 2020 behind us. We really hope that we can start meeting safely again very soon. Maybe you are full of ideas for how we can see more of each other in 2021, do let us know! A lot of new residents have come to Coxwold over the last five years and it would be lovely to welcome some new faces into the Hall or onto the Committee - we really could do with some renewed energy! Please contact Anne on 868719 or [coxwoldvillagehall@gmail.com](mailto:coxwoldvillagehall@gmail.com). Meantime, please continue to raise funds for Coxwold Playing Field Association when you shop online through Easy Fundraising ([www.easyfundraising.org.uk](http://www.easyfundraising.org.uk)). It costs you nothing, but makes a big difference to what we can do! With lots of love from everyone involved in the Coxwold Playing Field Association.

## COXWOLD PARISH COUNCIL

Following the sad death of Malcolm Hewitt, a vacancy has arisen for Parish Councillor. The post will be advertised in the New Year in accordance with current regulations. Coxwold Parish Council would like to take this opportunity to express their sincere thanks to his family for the work and support Malcolm gave to the council and the village during his five years of office. He will be sadly missed.

## ROAD CLOSURE

The County Council will undertake essential highway maintenance and drainage work on the road between Thirkleby and Coxwold (Thirsk Bank) starting **4 January 2021** for a period of eight weeks. This will mean a full road closure from Mondays to Fridays. The road will open only at weekends from Friday evening through to Monday morning. For more information and alerts, please phone 01609 780780 or visit: [www.northyorks.gov.uk/article/30550/Public-notice](http://www.northyorks.gov.uk/article/30550/Public-notice).

## COMMUNITY INITIATIVE

Community First Yorkshire has launched #DonateLocal; a campaign across North Yorkshire to support charities and community groups. Following the 'support' and 'buy' local movements for economic recovery, this winter they are encouraging people to donate to a local charity, be it through money, time or skills, and to give what they can, no matter how small, to help charities keep going for the benefit of those who need them. By keeping it local you are helping your own community financially, emotionally and socially, and you will be able to

see the direct impact of your actions. To find out how you can #DonateLocal visit [www.communityfirstyorkshire.org.uk/projects/donatelocal](http://www.communityfirstyorkshire.org.uk/projects/donatelocal).

## CENSUS 2021

The census is a once-in-a-decade survey that gives us information about all the households in the United Kingdom. It has been carried out every decade since 1801, with the exception of 1941. The next census will take place on **21 March 2021**. By taking part you will help to ensure that you and your community get the services you need. The census can be completed online or on paper (hard copy). Help will be available if needed from your Parish Council: North Yorkshire County Council community engagement staff will also be on hand throughout the census with resources, advice and practical support to help everyone to take part. Updates will be available from your Parish Council nearer the time as more information becomes available. You can also read more about the census at [www.census.gov.uk/](http://www.census.gov.uk/). Follow the census @census2021 on Twitter and Facebook.
