PLAYING FIELD PROJECT

With NYMNP help, we are extending our wildflower project adjacent to the stream. By the time you read this, we will have planted around 1,000 wild daffodil and bluebell bulbs and sown a plethora of native wildflower seeds. Expectations for a vivid show of colour next year will be high, but, like all gardeners, we will have to be patient as wilding areas are notoriously slow to establish. A small orchard will also be planted to the south of the tennis courts once the nursery trees become dormant and fit for planting. If you would like to get involved in any aspect of the playing field project, please contact Simon via sdrheinberg@hotmail.co.uk.

VILLAGE HALL GENERATOR

Following the power cuts last year that caused considerable hardship to so many vulnerable residents, the Parish Council has purchased a generator to supply power to the Village Hall should the power fail again. All existing facilities can then be kept running so that residents can keep warm, have hot food and even watch a film!

2023 Pantomime If you are an aspiring actor, singer, musician, costume designer, sound expert, make-up artist, etc., please join us at the Village Hall on **Monday 7th November** at 7.00pm when we will be getting organised ... oh no, you won't ... Oh yes, we will!

COXWOLD OIL COOPERATIVE

To potentially get a better deal on heating oil, please consider joining Coxwold's oil cooperative scheme. For more information, please contact Simon on simon.le.gassicke@gmail.com or 868719.
