22nd December, 2020

Dear Resident/ Proprietor,

THIRSK BANK, COXWOLD – DRAINAGE WORKS

This letter is to inform you that North Yorkshire County Council will be undertaking essential highway maintenance at the above location, between Little Thirkleby and Coxwold. The work is deemed essential to prevent further cracking to - and slippage of - the carriageway, and ensure longevity of the highway.

The works are currently programmed to commence on the 4th January 2021 and will start with three days of utility and arboricultural works required to facilitate the drainage works. The works are currently expected to last for 8 weeks. A full road closure is required to complete the works. The road will therefore be closed Monday – Friday (inclusive), but will be opened up at weekends, from Friday evening through to Monday morning. This work is part of an extensive programme and, as a consequence, it is possible that some adjustment to the start date or the duration of the works may be necessary should unforeseen circumstances such as significant weather events or emergencies on the highway network arise.

Works on site will be carried out between the hours of 07:30 and 17:30, Monday - Friday. However, the road will remain closed outside of these hours during the working week as the equipment and materials required for the scheme will have to be stored within the highway. This may inevitably restrict vehicular access to properties directly affected, but our contractors will try to assist you where possible during the working day through the use of on-site personnel tasked with managing access. Please be advised that there will be extended periods when access will just not be possible due to the nature of the works and physical constraints of the site, although we will try to keep any disruption to a minimum where possible.

We request your assistance in the following ways:

- Please contact the Customer Resolution Centre on 01609 780780 to identify any special access needs you may have during the work period
- Please co-operate and comply with any instructions issued by the traffic management operatives and take extra care whilst within the works area.

May I draw your attention to the County Councils Corporate Privacy Policy by using the following link <https://www.northyorks.gov.uk/privacy-notice>. When submitting a response, we will record personal information including your name and address.

For further information, including diversion information and to sign up for alerts please go to; <http://www.northyorks.gov.uk/article/30550/Public-notice>

I would like to take this opportunity to apologise for any disruption that these works may cause, and would again request your cooperation to help ensure an efficiently- and safely-executed project.

Yours faithfully
Customer Resolution Centre
