

COXWOLD

V

CORONA!

In these difficult times we as a village are here to offer support.

It has come to light that there are people going from door to door pretending to be officials checking out your house for COVID-19.

DO NOT ALLOW ACCESS INTO YOUR HOME TO ANYONE YOU DO NOT KNOW

A group in the village would like to help if you would like someone to collect shopping or prescriptions, or just be at the end of the telephone for a chat.

If you feel you can manage and are well stocked up with everything, you may still wish to contact one of the helpers: we can keep in touch and monitor the situation with you.

THE GARAGE

Petrol for the lawnmower?

Take advantage and keep on top of the garden whilst getting a spot of fresh air and some all-important exercise! You can still chat & wave over the fence with a cuppa or a glass of your favourite, just remember the two-metre rule, now known as 'social distancing'!
