## Minutes of the Annual Parish Meeting 20/05/15

These were passed as a true record

## Matters Arising

Reference	Description	Action
Traffic Management through the village	<p>Cllr Robinson summarised the action taken so far following a meeting with NYCC Highways and the Police a year ago when a table of actions was drawn up and agreed. Since then reminders have been sent to both bodies with limited response. The Parish Council has purchased a speed gun and a roster has been prepared to operate it. Volunteers are still required from residents of the Husthwaite Road. Thanks were given to June Wood who attended the meeting for volunteering to be one of them. It was reported that the Police did undertake random checks in the village last week and two cars were stopped</p> <p>The 'give way' road sign adjacent to The Forge needs cleaning/replacing and the directional signs at the village crossroad needs adjusting. It was agreed to contact Highways again to report these concerns.</p>	<p>J. Rob</p> <p>CWJ</p>
Annual Accounts and Annual Return	These were prepared by Cllr. Le Gassicke and were presented and passed at the meeting	CWJ and PF
Reports from HDC and NYCC	These were not available for the meeting	

[illegible]
